**Interest in Participation in a Clean Energy Assessment District
(Property Assessed Clean Energy (PACE))**

We thank you for taking the time to answer the questions here, just to get a very preliminary idea about whether or not Moretown residents might be interested in participating in a Clean Energy Assessment District, as described in the attached sheet.

1. Have you considered making energy efficiency or renewable energy improvements to your home?

_____ Yes _____ No

2. Have you had an energy audit of your home performed to find out what improvements will get you the most return on investment?

_____ Yes _____ No

3. In the recent past, if energy efficiency or renewable energy vendors have offered you services (such as insulation, air sealing, window or door replacement, solar hot water) have you,

a. understood all aspects of proposed improvements but thought they did not fit my needs.

b. understood benefits of proposed improvements but did not have funds available to invest.

c. talked to vendors but not had time to investigate the offering.

d. understood all aspects of proposed improvements but decided to postpone for other reasons. Please list reasons _____

4. If the Town on its own or in conjunction with other towns, were able to offer a financing program to provide up-front funding for energy efficiency improvements and your property qualified for participation,

a. what kind of energy efficiency or renewable energy improvements would you consider making first?

b. what information would you need to make a decision whether or not to participate?

c. what would be your timeframe for making a decision to utilize the program?

5. Do you think a CEAD is a worthwhile concept for the town to pursue at this time?

_____ **Yes** _____ **No**

6. What other kinds of initiatives would you like to see your Energy Committee undertake?

7. Are you interested in participating on your Energy Committee?

_____ **Yes** _____ **No**
