

# Moretown Planning Commission Minutes

**Date:** June 25, 2007

**PC Attendees:** Steve Sharp, Gene Kaslow, Don LaRocca, Dan Lynch

**Guests:**

**Absent:** Steve Robbins

**Start Time:** 5:10 PM

## Meeting Minutes:

1. Motion to approve minutes of June 4, 2007 by Gene K. Second by Dan L., approved by all with date correction.
2. Windmill discussion continued. Gene K. showed evidence of typical installation expense of \$16K less 50% subsidy, yielding only a \$50 per month energy saving based on average wind calculations for the area. Selective area studies could be done which may improve generation. Concern to the PC is still height and cleared area criterion.
3. Continued discussion of revisions to Town Plan Chapter 5.
  - a. Page 36 first paragraph: need to acknowledge 100B Byway designation
  - b. Statistical updates i.e. Traffic volume, road maintenance
  - c. Page 37 third paragraph update: town maintained paved roads
  - d. Need to check with VTRAN on status of completion of improvements of critical road junctions
  - e. Need to check status of culvert inventory for update
  - f. Check with VTRAN for bridge updates. Remove reference to Lovers Lane scheduling. Update bridge intersection report. Rectify references to South River Bridge attributes with transportation policy statements.
  - g. Add notes regarding pedestrian bicycle and crosswalk paths
  - h. Rework #5 of Transportation Task and Strategies to suggest as a priority improvement of visibility at the junction of Mountain Road and 100B, i.e. the removal of the obstructive large white pine.
  - i. General note to change all bullets to numbers or letters for easy identity
  - j. Transportation policies paragraph 10 should note the town shall discourage the upgrading of the level of service on existing roads and add a statement of policy to end the establishment of class 4 roads
  - k. End of discussion of Chapter 5.
4. Next meeting Monday July 2, 2007 5:00 PM. Agenda Chapter 6 discussion. Motion to adjourn Don L., second Gene K. Adjourned 6:45 PM.
